

STEM Robotics Residential Camp at Clarkson University

Dates: Sunday, July 16, through Saturday, July 22, 2017

Location: Clarkson University

Cost: \$1500 all inclusive

Students entering grades 9-12 in Fall 2017

A week long residential robotics camp where students will learn Mechanical, Electrical, and Computer Engineering skills, e.g., CAD and 3D printing, custom sensor design and testing, and programming robots and virtual environments, through guided, hands-on activities with a culminating team challenge.

Students will reside in Clarkson's Moore House dorms and have their meals in one of the one campus dining halls.

There will be a culminating Robotics Competition on Saturday July 22nd, 2017 beginning at noon.

Register for Robotics Residential Camp
